2. How have you (or others you know) been affected by...?
3. Can you tell me a story about...?

Remember to follow up with **Why?** Dig for details!

How do you feel about
the advancement of technology
in the last few years?
It is good because before
this I talked with my
family using letter, but now
it is easy with phone.

How has this affected you?
In a good way because it
is easier to contact my family.

Can you tell a story
about how this has changed
your life?
It + made it way easier
to contact my family in
El Salvador because of phones
compared to 1 monthly letter.
