

One Standout Idea

Use the best parts of your wild ideas and feedback from others to create the first prototype for an app. Then, write a fuller description of what it will do below. It's fine if your design changes later!

Title: Color Can-Can

Fuller Description: You draw picture and cans/food get donate to people in need. We will partner with someone who will give us cans.

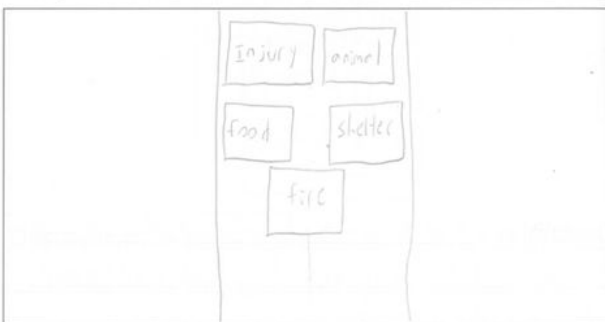

We developed this idea because during our research, we learned: People don't realize that hunger is a huge problem.

One Standout Idea

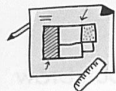

Use the best parts of your wild ideas and feedback from others to create the first prototype for an app. Then, write a fuller description of what it will do below. It's fine if your design changes later!

Title: Survive

Fuller Description: First the app asks you what's wrong or what you need to do. Then it tells you what to do and how to do it. The app included information about food, shelter, animals

We developed this idea because during our research, we learned: That many people don't know how to take care of an injury and don't know which animals are dangerous.

One Standout Idea

Use the best parts of your wild ideas and feedback from others to create the first prototype for an app. Then, write a fuller description of what it will do below. It's fine if your design changes later!

Title: THE SUPER PYTHAGOREAN CALCULATOR!

$a =$

 $b =$

 $c = ?$

Fuller Description: You input the lengths of a and b and you get c, as well as a scale model of your resulting triangle.

I developed this idea because during ^{my} research, ~~we~~ I learned: nothing. I had this planned from page 4.

One Standout Idea

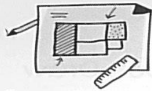

Use the best parts of your wild ideas and feedback from others to create the first prototype for an app. Then, write a fuller description of what it will do below. It's fine if your design changes later!

Title: Donations

Fuller Description: Our app will provide a good well through thoughts for people who need clothes to donate.

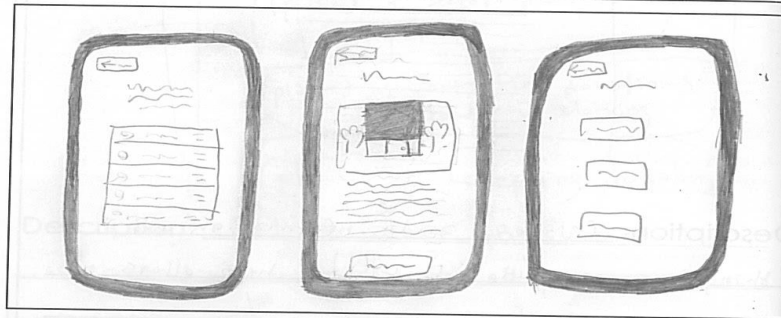

We developed this idea because during our research, we learned: that a lot of people don't have a lot

One Standout Idea

Use the best parts of your wild ideas and feedback from others to create the first prototype for an app. Then, write a fuller description of what it will do below. It's fine if your design changes later!

Title: _____

Fuller Description: Find out what places accept
donations in your area, and what places are
accepting volunteer work. You can donate food,
clothing, and other things to places in need
of them. The app requires that you specify what
you are donating.

We developed this idea because during our research, we
learned: _____
